

The 21st London Congenital Heart Disease Course

Hybrid (F2F/Virtual) event over 6 days

The London Congenital Heart Disease (CHD) hybrid event is a joint collaboration between the Clinical Educators and Nurse Specialists at Royal Brompton Hospital, Evelina London Children's Hospital, Great Ormond Street Hospital NHS Foundation Trust, Barts Health NHS Trust (One Heart CHD Network) and Guy's and St Thomas' Hospital NHS Foundation Trust (Lifelong CHD Network).

All nurses with a good foundational knowledge plus clinical experience, allied healthcare professionals and healthcare scientists involved in the care of children and adults with congenital heart disease are welcome to attend.
